ASSIGNMENT

WHEREAS, I, Peter Alex of Germantown, Wisconsin, have made certain inventions which are described in International Patent Application No. PCT/US2014/038060 filed May 15, 2014, which claims priority of U.S. Provisional Patent Application No. 61/824,594 filed May 17, 2013, entitled "Compression Device and Pressure Sensor for Treatment of Abnormal Upper Esophageal Sphincter Functionality," and

WHEREAS, **Somna Therapeutics, LLC.**, a Wisconsin Domestic Limited Liability Company (hereinafter called **Company**) having a place of business at W175 N11081 Stonewood Drive, Germantown, WI 53022, is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof and for all foreign countries.

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, I hereby sell, assign, and transfer unto said **Company**, its successors and assigns, effective retroactively from the date of making said inventions, the entire right, title and interest throughout the United States of America and the territories thereof and for all foreign countries, in and to said inventions, the aforesaid application, and all other applications hereafter filed in the United States and any other country based in whole or in part on said inventions, and all Letters Patent granted upon said application by the United States and any other country, and I do hereby authorize and request the Director of the United States Patent and Trademark Office to issue said Letters Patent to said **Company**. I further grant to said **Company**, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

I hereby warrant that I have the full right to make the conveyance herein, and I hereby covenant that I, my heirs, legal representatives and assigns, will, when requested, communicate to said **Company**, its representatives, successors and assigns, all facts known respecting said inventions, execute all applications including regular, divisional, continuing, reissue, reexamination and foreign applications together with individual assignments therefor, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said **Company**, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, I have hereunto set my hand and seal on the date indicated below my signatures.
