WORLD WIDE , CANADA AND UNITED STATES
ASSIGNMENT

WHEREAS I/WE, **Barry LaCroix** of **7773-118A St, North Delta, BC V4C 6V1** invented a certain new and useful apparatus entitled **CORE LOADING PLATE** for which utility and/or design patent applications for Canada and the United States Letters Patent was executed by me under the above title.

AND WHEREAS **Kelso Technologies Inc.**, whose full post office address is **7773-118A St, North Delta, BC V4C 6V1**, has acquired from me/us a 100% interest in the right and title for Canada and the United States of America and all other countries in and to the said invention and in and to any Letters Patent that may be obtained therefore, and in and to said application.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration the receipt of which is hereby acknowledged, I, **Barry LaCroix** by these presents confirm that we have sold assigned and transferred and do hereby sell assign and transfer unto said **Kelso Technologies Inc.**, 100% of interest and right to the said invention in Canada and the United States of America and all other countries and all interest, right and title in and to any and all Letters Patent which may be granted therefore, and all interest, right and title in and to said application, and in and to any divisions, continuations, continuations-in-part and extensions of said application, together with the right to claim the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property based on said application for Canada and the United States Letters Patent.

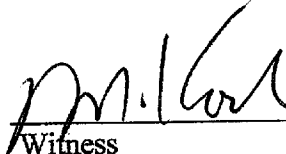

I/we agree that I/we will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention and for additions and modifications thereto in any and all countries and to vest 100% title thereto to **Kelso Technologies Inc.**, or its successors, assigns and legal representatives or nominees.

I/we hereby authorize the Canadian and the United States Commissioner of Patents and Trademarks to issue said Letters Patent to **Kelso Technologies Inc.**, 100% right, title and interest in and to the same for its sole use and benefit and for use and benefit of its respective successors and assigns, to the full end of the term for which Letters patent may be granted as fully and entirely as the same would have been held by us had this assignment and sale not been made.

SIGNED, SEALED AND DELIVERED this 20 Day of October, 2015 at Hamilton, Ontario, Canada
