ASSIGNMENT

Jason Haensly
to
Synapse Product Development LLC

WHEREAS We, Jason Haensly, of the City of Seattle and the State of Washington, along with Jamez Zipperer, Greg McKeag and Mike Lapinsky, have made certain inventions in a patent application entitled "WEARABLE DEVICE ASSEMBLY WITH ABILITY TO MITIGATE DATA LOSS TO COMPONENT FAILURE," for which an application for a Patent of the United States was filed in the United States Patent and Trademark Office on June 11, 2014, and accorded Application No. 14/301,913; and

WHEREAS, Synapse Product Development LLC, a limited liability company of the State of Washington, having a place of business at 1511 6th Avenue, Suite 400, Seattle, Washington 98101, herein called "ASSIGNEE," is desirous of confirming that it already has been assigned, or if not already assigned, is desirous of acquiring our entire right, title, and interest in said inventions and the patent application therefor, and in any patent or patents to be obtained therefor.

NOW, THEREFORE, To All Whom It May Concern, be it known that, for and in consideration of the sum of One Dollar (\$1.00), and other good and valuable considerations, the receipt and sufficiency of which is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto the said ASSIGNEE, our entire right, title, and interest in and to the invention shown, described, or claimed in the above identified patent application, and the full and exclusive right and title to the said application, preparatory to obtaining Letters Patent of the United States therefor; and in and to any extensions, reissues, divisions, or renewals thereof; and we do hereby authorize and request the Commissioner of Patents or other proper Officer, to issue such Letters Patent, or any of them, to the said ASSIGNEE, as the assignee of our entire right, title, and interest in and to the same for the sole use and behoof of the said ASSIGNEE, and its successors or assigns.

And we further covenant and agree that we will, at the request and expense of the said ASSIGNEE, execute such other and further assurances of title as may be necessary or proper to fully convey the interest herein sought to be conveyed; that we will, at the request and expense of the said ASSIGNEE, execute such application papers as may be desired by the said ASSIGNEE for the filing of any division or renewal of the application herein conveyed, or for the reissues or extensions of any Letters Patent that may be granted upon said application, and will execute such Supplemental Oaths and Preliminary Statements, or other papers as desired by the said ASSIGNEE.

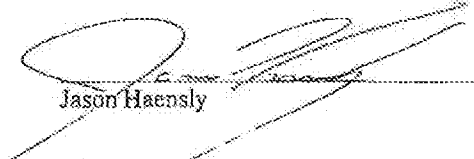

And we further assign unto the said ASSIGNEE our whole right, title, and interest in the invention disclosed in the application throughout all countries foreign to the United States, and do hereby authorize the said ASSIGNEE to apply for patents therefor in its own name in countries where such procedure is proper and to claim the benefit of the
