ASSIGNMENT

U.S. Patent Appl. No.: **62/093,026**
Filed: **December 17, 2014**
Title: **FORMULATIONS OF CALCIUM AND PHOSPHATE
FOR ORAL INFLAMMATION**

For \$1.00 and other good and sufficient consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned (**Bartholomew Weldon, Edward Kobus, Sandryne Dumoulin, Aimesther Betancourt, and Patrick Gosselin**) hereby assign to the assignee (**Invado Pharmaceuticals LLC**, having a principal place of business at 25 Ravenna Drive, Pomona, New York 10970), its successors and assigns, their entire right, title and interest in U.S. Patent Application No. **62/093,026**, and in the inventions or improvements of the undersigned disclosed in said application, and any and all other applications, both United States and all other countries, which the undersigned may file, either solely or jointly with others, on said inventions or improvements, including any nonprovisional, divisional, continuation and substitute applications, and in any and all Patents of the United States and all other countries, which may be obtained on any of said applications, and in any reissue, reexamination, or extension thereof.

The undersigned hereby authorize and request any official whose duty it is to issue patents, to issue any patent on said inventions and improvements to assignee. The undersigned warrant that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned.

For said consideration the undersigned hereby agree, upon the request of the assignee, its successors and assigns, to execute any and all nonprovisional, divisional, continuation and substitute applications for said inventions or improvements, and any necessary oath or affidavit relating thereto, and any applications for the reissue or extension of any Patent that may be granted upon said applications, and any and all applications and other patent documents in all countries on said invention or

improvements, that said assignee, its successors or assigns, may deem necessary or expedient. For the aforesaid consideration, the undersigned further agree upon the request of said assignee, its successors or assigns, in the event of any application or patent assigned herein becoming involved in an interference, inter partes review, post-grant review, opposition, litigation or other legal proceeding, to cooperate to the best of the ability of the undersigned with said assignee, its successors or assigns, including but not limited to preparing and executing oaths, statements, affidavits, or declarations, and in giving and producing testimony and evidence in support thereof. The undersigned hereby agree to perform, upon request, any and all affirmative acts to obtain said Patent, both in the United States and all other countries, and vest all rights therein hereby conveyed in said assignee, its successors and assigns, whereby said Patent will be held and enjoyed by said assignee, its successors and assigns, to the full end of the term for which said Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.
