Assignment

For good and valuable consideration, receipt of which is hereby acknowledged, I/we

Mikhail A. Beikin	of Austin, TX, US
Karun Vijayraghavan	of Austin, TX, US
Seungyong Jung	of Austin, TX, US

hereby sell, assign, and transfer to Board of Regents, The University of Texas System, having a place of business at 201 W. 7th Street, Austin, Texas 78701, its successors, assigns, and nominees (collectively hereinafter called "the Assignee"), the entire right, title, and interest throughout the world in the invention and improvements that are subject of an application for United States Patent entitled

Generating Terahertz Frequency Combs from Quantum Cascade Lasers using Nonlinear Frequency Mixing

which has a filing date of 21-OCT-2015 (Application No. 14919383) and all patent applications, patents, utility models, design registrations, and like rights of exclusion and inventors' certificates of every country for any of said invention and improvements, including divisions, reissues, continuations, and extensions thereof, and all rights to claim priority resulting from the filing of said applications. I/We authorize the Assignee to apply in foreign countries for patents, utility models, design registrations, and like rights of exclusion and inventors' certificates of every country for any of said invention and improvements, and to claim all rights of priority without further authorization from me/us. I/We agree, for ourselves and for our respective heirs, legal representatives, and assigns, to execute all papers useful in connection with such further applications, and generally to do everything possible to aid the Assignee, at their request and expense, in obtaining and enforcing patents for said invention and improvements in all countries. I/We request that the United States Patent and Trademark Office issue all patents granted for said invention to the Assignee. If applicable, I/we further authorize and request the attorneys appointed as representatives in this application to hereafter complete this assignment by inserting above the filing date and application number of this application, when known.
