ASSIGNMENT

This Assignment is made and executed by Victor Nicolas, an individual residing in Tijuana, Baja California, Mexico ("Assignor"), to and in favor of Smartco de Mexico S. de R.L. de C.V., a Mexican company, having principal places of business at 4630 Border Village Road, San Diego, California 92173 USA and Paseo Centenario 10310-810 Zona del Rio, 22105 Tijuana, B.C., Mexico ("Assignee").

WHEREAS Assignor desires to assign to the Assignee his entire right, title and interest in and to the package design shown in *Exhibit A* ("Design") and in and to U.S. Design Patent Application No. 29/543,462 filed October 23, 2015 titled "Bag" ("Patent").

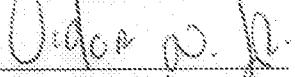

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignor hereby assigns and conveys to Assignee his entire right, title and interest worldwide in and to the Design and all intellectual property rights therein, including but not limited to the Patent and all substitute, continuation, continuation-in-part and divisional applications based in whole or in part on the Patent, and including all patents resulting therefrom and all reissues, re-examination certificates and extensions thereof, and including any and all rights of priority throughout the world resulting from the filing of any such applications within the United States.

2. Assignor hereby assigns and conveys to Assignee his entire right, title and interest in all counterparts to the Patent that have been or may be filed outside the United States or under the Patent Cooperation Treaty, whether pursued as a patent, an industrial design registration, an inventor's certificate, a utility model or the like, including all rights of priority based on the Patent, further including all continuation, continuation-in-part and divisional applications based in whole or in part on the non-U.S. counterparts, and still further including all patents, industrial design registrations, inventor's certificates, utility models, reissues, re-examination certificates and extensions resulting from any of the non-U.S. counterparts.

3. Assignor agrees to perform any and all acts and to execute all documents necessary for Assignee, to perfect ownership in and to the Patent, the Design, and all intellectual property rights therein.
