ASSIGNMENT

WHEREAS, We, David Jansen, residing at 191 Mapleflower Road, Glenmoore, PA 19343; Kurt Faulhaber, residing at 609 Treaty Road, Plymouth Meeting, PA 19462; and Todd Petersen residing at 1316 Second Avenue, Toms River, NJ 08757, made certain new and useful inventions and improvements for which we executed an application for Letters Patent of the United States on **November 20, 2015**, which application was assigned U.S. patent application serial number **14/946,839** and is entitled **EXPANDABLE INTRAMEDULLARY SYSTEMS AND METHODS OF USING THE SAME;**

AND WHEREAS, Globus Medical, Inc., a corporation organized and existing under and by virtue of the laws of the State of Delaware, and having an office and place of business at 2560 General Armistead Avenue, Audubon, PA 19403 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefore;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the said application, all divisions, continuations, continuations-in-part, or renewals thereof, all Letters Patent which may be granted there from, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted there from; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid

inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors and assigns.

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore, we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.

We further authorize and direct the ASSIGNEE and its attorneys to insert above the application number of said application now identified as Docket No. 0218.456.0002 as soon as the same shall have been made known to them by the U.S. Patent and Trademark Office.
