**RATIFICATION OF PRIOR
ASSIGNMENT BY INVENTOR**

THIS RATIFICATION OF PRIOR ASSIGNMENT, is made by Gary R. Markham (hereinafter referred to as "Assignor"), residing at 273 Country Lane, Lumberton, Texas 77657;

WHEREAS, Assignor invented certain new and useful improvements in MOBILE STORAGE TRAILER TANK (hereinafter the "Invention") set forth in a Design application for Letters Patent of the United States, already filed on October 26, 2011, as U.S. application No. 29/404814 (hereinafter the "Application");

WHEREAS, Assignor executed a prior assignment dated October 22, 2011, which assigns all rights and interest in the Invention and Application to The Modern Group, Ltd., a Corporation organized under and pursuant to the laws of Texas having its principal place of business at 1655 Louisiana, Beaumont, Texas 77704-0790;

WHEREAS, The Modern Group, Ltd. was at the time, and still is, a limited partnership organized under and pursuant to the laws of Texas, rather than a corporation, having its principal place of business at 1655 Louisiana, P. O. Box 790, Beaumont, Texas 77701 (hereinafter referred to as "Assignee"); and.

WHEREAS, it was Assignor's intent from the outset to assign all rights and interests in the Invention and Application to Assignee.

NOW, THEREFORE, Assignor hereby ratifies that for good and sufficient consideration, the receipt of which is again hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does hereby confirm the sale, assignment, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the Invention and Application, and all resulting Letters Patent,

and in and to any and all direct and indirect divisions, continuations and continuations-in-part of the Application, and any and all Letters Patent in the United States and all foreign countries which may be granted therefore and thereon, and reissues, reexaminations and extensions of said Letters Patent, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor was the sole and lawful owners of the entire right, title and interest in and to the Invention and Application for Letters Patent above-mentioned at the time of the prior assignment, and that the same were unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth in the prior assignment and as hereby ratified and re-assigned.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for the Invention, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns requests such action.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of the Invention and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

NORTON ROSE FULBRIGHT US LLP

All practitioners at Customer Number 000029053

AND Assignor acknowledges an obligation of assignment of this invention to Assignee at the time the invention was made.

Date: 4-30-2015
