ASSIGNMENT

WHEREAS, Byrne Electrical Specialists, Inc., a corporation of the State of Michigan, having a place of business at 320 Byrne Industrial Drive, Rockford, MI 49341 (hereinafter referred to as Assignor), has previously acquired the entire right, title and interest in and to a certain new, original, and ornamental design for ELECTRICAL BUS BARS, for which a United States design application was executed on even date herewith.

WHEREAS, Norman R. Byrne, residing at 2736 Honey Creek Ave. NE, Ada, Michigan 49301 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent, including Design Patents, that may be granted therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and transfers unto said Assignee the full and exclusive right, title and interest to the said invention in the United States and in all foreign countries and the entire right, title and interest in and to any and all Letters Patent, including Design Patents, which may be granted therefore in the United States and in any and all foreign countries and in and to any and all divisions, reissues, continuations, continuation-in-part, and extensions thereof including the full right to claim for any such applications the benefits of the International Convention.

Assignor hereby authorizes and requests the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the owner of the entire right, title and interest in and to the same, for the sole use and behoof of said Assignee, its successors and assigns.

FURTHER, Assignor agrees to communicate to said Assignee or its representatives any facts known to Assignor respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths and generally do everything possible to aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, Assignor has hereunto executed this assignment on this 30th day of July, 2015, by its duly authorized and legal representative.
