## ASSIGNMENT

WHEREAS **Huijun Jin**, a citizen of the People's Republic of China, residing at Shanghai, P.R. China, hereinafter referred to as "Assignor," is an inventor of the invention described and set forth in the below-identified patent application(s):

Title of Invention:     **ARRAY SUBSTRATE, DISPLAY PANEL AND  
DISPLAY DEVICE**

U.S. Application No.:    14/951,432

Filing Date:            November 24, 2015

WHEREAS, **Shanghai AVIC OPTO Electronics Co., Ltd**, a corporation incorporated under and pursuant to the laws of P.R. China, and having its principal place of business at 3388th Huaning Road, Minhang District, Shanghai 201108, P.R. China, and **Tianma Micro-Electronics Co., Ltd**, a corporation incorporated under and pursuant to the laws of P.R. China, and having its principal place of business at 22/F, Hangdu Building, Shennan Road, Futian District, Shenzhen 518052, P.R. China, hereinafter referred to as "Assignees," are desirous of acquiring all of Assignor's right, title, and interest in and to said invention, the right to file applications on said invention, and the right, title and interest in and to any applications, including provisional applications, for Letters Patent of the United States or other countries claiming priority to said applications, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefore and thereon;

NOW, THEREFORE, for good and valuable consideration, receipt of which are hereby acknowledged by Assignor, Assignor has assigned, transferred and set over, and by these presents do assign, transfer and set over unto Assignees, and Assignees' successors, legal representatives, and assigns, all of Assignor's right, title and interest in and to the above-mentioned invention and application, the right to file applications on said invention, and the right, title and interest in and to any such applications, including provisional applications, and any applications claiming priority from said applications for Letters Patent of the United States or other countries (including patent, utility model and industrial designs), and in and to any Letters Patent or Patents of the United States of America and all foreign countries that have been or may be granted therefor and thereon, and in and to any and all divisions, renewals, substitutions, conversions, continuations, and continuations-in-part of said applications, and reissues, prolongations and extensions of said Letters Patent or Patents, and all rights under the Paris Convention for the Protection of Industrial Property, including the right to claim priority, the same to be held and enjoyed by Assignees, for their own use and behalf and the use and behalf of Assignees' successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made;

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignees, their successors, legal representatives, and assigns, that Assignor shall, whenever counsel of Assignees, or the counsel of its successors, legal representatives, and assigns, advises that any proceeding in connection with said invention or said applications for Letters Patent or Patents, or any proceeding in connection with Letters Patent or Patents for said invention in any country, including interference proceedings, is lawful and desirable, or that any application claiming priority to said application, division, continuation, continuation-in-part, substitution or conversion of any applications for Letters Patent or Patents, or any reissue, prolongation or extension of any Letters Patent or Patents to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent or Patents for said invention, without charge to Assignees, their successors, legal representatives, and assigns, but at the cost and expense of Assignees, their successors, legal representatives, and assigns;

AND Assignor hereby requests the Commissioner of Patents to issue any and all said Letters Patent or Patents of the United States to Assignees as the Assignees of said invention and the Letters Patent or Patents issued and to be issued thereon for the use and behalf of Assignees, its successors, legal representatives, and assigns;

AND the undersigned hereby grant(s) an authorized representative of Assignees the power to insert in this Assignment the application number and filing date and any further identification that may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recordation of this Assignment.

IN TESTIMONY WHEREOF, Assignor has signed their name on the date indicated.
