ASSIGNMENT

Pursuant to our obligation to Axia Acquisition Corporation (hereinafter referred to as "Assignee"), a Delaware Corporation having its principal place of business at:

1380 Beverage Drive, Suite W
Stone Mountain, GA 30083

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged,
we:

Matthew W. Jungklaus
332 Birchmore Walk
Lawrenceville, GA 30044

Timothy Joseph Beran
1882 Bakers Mill Road
Dacula, GA 30019

confirm our obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest -

(1) in and to inventions described in "FINISHER BOX WITH BLADE ASSEMBLY" for which we filed United States Utility Patent Application No. 14/956,730 (Atty. File No. 200225-9110), and United States Provisional Patent Application No 62/152,767, filed April 24, 2015, (hereinafter the "U.S. provisional and utility patent applications");

(2) in and to the U.S. provisional and utility patent applications, in and to all other patent applications (including divisional, continuation, continuation-in-part, and reissue applications) based upon said inventions, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the U.S. provisional and utility patent applications and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on one or more of the U.S. provisional and utility patent applications.

We hereby authorize the assignee or attorney of record to insert in the appropriate place in this document the application number of our applications after execution of this Assignment. We hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and

purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.
