ASSIGNMENT

WHEREAS, we, Patrick L. Turnage and Tyler L. Perkins (the “**Inventors**”) have invented certain new and useful improvements in AGRICULTURAL SPRAY CONTAINMENT DEVICES, SYSTEMS AND METHODS, (the “**Invention**”), and have filed an application for a United States Patent on October 30, 2015, to which Application No. 14/928,630 was assigned (the “**Application**”); and

WHEREAS, Cotton Tail Industries, LLC, a Missouri limited liability corporation, 15148 CR 688, Bernie, MO 63822 (“**Cotton Tail Industries**”), is desirous of acquiring an interest in, to and under said Invention, said Application, and any and all Letters Patent which may be granted for or upon said Invention or from said Application in the United States of America and all countries foreign thereto.

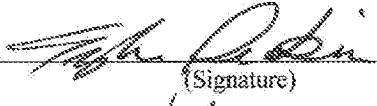

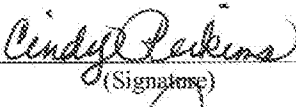

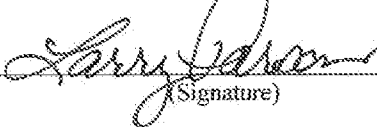

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Inventors have sold, assigned and transferred, and by these presents to sell, assign and transfer unto the said **Cotton Tail Industries** the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) said Invention as set forth and described in the specification, if any, prepared, executed, to be executed or not executed by me therefore, preparatory to obtaining one or more patents of the United States and/or countries foreign thereto, whether prepared, executed and/or filed as a provisional application and/or a non-provisional application;
- (b) said Application;
- (c) any and all provisionals and non-provisionals, refilings, divisions, continuations and continuations-in-part of said Application;
- (d) any and all patents of the United States of America that may issue from said Application, refilings, divisions, continuations and continuations-in-part;
- (e) any and all reissues, reexaminations and extensions of said patents of the United States of America;
- (f) any and all further applications for patent for or upon said Invention that may be filed in any and all countries foreign to the United States of America;
- (g) any and all refilings, divisions and continuations of said foreign-filed applications;
- (h) any and all patents of countries foreign to the United States of America that may issue from the said foreign-filed applications, refilings, divisions and continuations; and
- (i) any and all extensions of, and additions to, said patents of countries foreign to the United States of America.

Inventors agree to execute any additional documentation or papers provided by Cotton Tail Industries to Inventors relating to the Invention, this Assignment, or the Application in order for Cotton Tail Industries to file and maintain the Application and/or to record Cotton Tail Industries ownership interest in the Application.

ALL of the above shall be held and enjoyed by said *Cotton Tail Industries*, for its own use and benefit, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent in accordance with this Assignment.
