TERMINATION AND RELEASE OF PATENT SECURITY AGREEMENT

This TERMINATION AND RELEASE dated as of November 30, 2015, from BANK OF THE WEST, a California corporation ("Secured Party") to NAUTILUS, INC., a Washington corporation ("Borrower").

WITNESSETH:

WHEREAS, pursuant to a Patent Security Agreement and a Memorandum of Security Agreement dated as of March 5, 2010, a Patent Security Agreement dated as of March 8, 2010, and an Amendment to a Patent Security Agreement and a Memorandum of Security Agreement dated as of June 1, 2012, a security interest was granted by Borrower to the Secured Party in certain patents and/or patent applications of Borrower (the "Security Interest," which includes any security interest based on any other agreements related to the Collateral between Secured Party and Borrower), including without limitation those listed on Schedule A hereto and made a part hereof, and all proceeds of the foregoing, and claims for damages by reason of past, present, or future infringements thereof and rights to sue for and collect such damages (collectively, the "Collateral"); and

WHEREAS, the Secured Party now desires to terminate and release the entirety of its Security Interest in the Collateral;

NOW, THEREFORE, for good and valuable consideration including the satisfaction of all obligations, indebtedness and liabilities secured by the Collateral pursuant to the Security Interest, the receipt and adequacy of which are hereby acknowledged, and upon the terms set forth in this Termination and Release, the Secured Party hereby fully and finally terminates, releases and discharges the Security Interest, and all other rights in, to and under the Collateral.

IN WITNESS WHEREOF, the undersigned has caused this Termination and Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first written above.
