ASSIGNMENT

For valuable consideration, the receipt of which is hereby acknowledged:

I, Qiang Lu, of Ningbo Yinzhou China, hereby assign to:

Red Oxygen, LLC, a Limited Liability Company of Texas, having a place of business at:

520 Central Parkway East, Suite 106, Plano, TX 75074; and

its successors and assigns (collectively hereinafter called "the Assignee") the entire right, title and interest throughout the world in the inventions and improvements which are subject of an application for United States Patent, entitled PURIFICATION OF A WATER FILTER FITTING, filed 12/7/2015 and assigned U.S. Serial Number 29547754; this assignment including

and application, any and all United States and foreign patents, divisions, continuations, continuations-in-part, reissues, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said

application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like

purpose; and I authorize the Assignee to apply in all countries in my name or in its own name

for patents, utility models, design registrations and trademark rights of exclusion and for invention

certificates for said inventions and improvements; and I agree for me and my respective heirs,

legal representatives and assigns, without further compensation to perform such lawful acts and

to sign such further applications, assignments, Preliminary Statements and other lawful

documents as the Assignee may reasonably require to effectuate fully this assignment;

attorney of record of the attorney filing the application, is hereby authorized to insert into this

assignment the filing date of the application and/or the serial number of the application, when

officially known, by execution of this assignment.
