As the below named inventor, I hereby declare that:

This declaration is directed to:

- The attached application, or  
 United States application or PCT international application number 14/877,810 filed on October 7, 2015.

The above-identified application was made or authorized to be made by me.  
 I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.  
 I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims.  
 I am aware of and acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR 1.56.  
 I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

**ASSIGNMENT**

Easton Baseball / Softball, Inc., hereinafter referred to as ("Assignee"), a Delaware corporation having a place of business at: 7855 Haskell Avenue, Suite 200, Van Nuys, CA 91406, desires to acquire the entire right, title and interest in and to the identified Application and the Invention(s) described therein, and in and to any Letters Patent that may be granted therefore in the United States and in any foreign countries.

For valuable consideration, the receipt and sufficiency of which I acknowledge, I hereby sell, assign, and transfer to Assignee, its successors, legal representatives and assigns, my entire right, title and interest in and to: the Invention(s), the Application, and any Patents; any divisions, continuations, and continuations-in-part of the Application and any other application claiming priority rights from the Application; any reissues, reexaminations, or extensions of any and all Patents; the right to file foreign applications directly in the name of Assignee; and the right to claim priority rights deriving from the Application (collectively, the "Rights"). I warrant that I own my Rights, and that my Rights are unencumbered. I also agree to not sign any writing or do any act conflicting with this assignment, and, without further compensation, sign all documents and do such additional acts as Assignee deems necessary or desirable to: perfect Assignee's enjoyment of the Rights; conduct proceedings regarding the Rights, including any litigation or interference proceedings; or perfect or defend title to the Rights. I request the Commissioner of Patents to issue any Patent of the United States that may be issued on the Invention(s) to Assignee.
