DECLARATION AND ASSIGNMENT

I (we) the undersigned

Jürgen Totzke, residing at Blumenstr. 49, 85586 Poing, Germany

Klug Karl, residing at Marsstr. 6a, 83714 Miesbach, Germany

(Assignor)

declare that I am the original inventor or an original joint inventor of "Konferenzsystem und Verfahren zum Steuern des Konferenzsystems" as disclosed in the priority Application which has been assigned official application number DE 10 2014 018 205.3, filed on December 9, 2014 ("the Application"); and

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

As required by law or by my (our) employment agreement, I (we) hereby sell, transfer, and set over unto Unify GmbH & Co. KG, Hofmannstr. 63, 81379 München, Germany, as Assignee, the entire right, title, and interest in and to the Application and all improvements thereof for all countries and especially the United States of America and its territories and any Letters Patent which may issue therefore in all countries and especially in the United States and its territories and all divisionals, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, including the right to apply for Letters Patents in each country and especially the United States of America and its territories, in its own name and to claim any and all priority rights under the International Convention, other conventions, treaties, or otherwise associated therewith for each country and the United States of America and its territories, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisionals, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me (us) had this Assignment not been made.

Further, the Assignor agrees that the assignment of these rights may be recorded in the respective Patent Offices.

The Commissioner of Patents and Trademarks is requested to issue such Letters Patent in accordance herewith. I (We) covenant that I am (we are) the lawful owner(s) of the Application and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the Application or improvements, and that I (we) have the full right to make this Assignment.

I (we) agree jointly and individually that I (we) will communicate to said Assignee or the representatives thereof any facts known to me (us) respecting the Application and improvements, and will, upon request, but without expense to me (us), testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said Assignee or by counsel

for said Assignee, to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein assigned, and, in the event of any application or Letters Patent assigned herein becoming involved in an Interference, reexamination or other post grant review to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement or patent owner's response and giving and producing evidence in support thereof. This Assignment shall be binding upon my (our) heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said Assignee.

The undersigned hereby agrees to execute, at the request of said Assignee, all documents in connection with any application for letters patent therefor.
