PATENT ASSIGNMENT

WHEREAS, WE, Rikko Sakaguchi and Ken Yano ("Assignors"), having post office addresses of 1020 Deanna Drive, Menlo Park, CA 94025 and 2-1-7-305 Fukasawa, Setagaya-ku, Tokyo, Japan 158-0081 respectively, are the named inventors on an U.S. Design Application entitled "PORTABLE ELECTRONIC DEVICE," filed on December 11, 2015 and assigned Application No. 29/548,309; ("the Application"); and

WHEREAS, SomniQ, Inc. (hereinafter referred to as ASSIGNEE), a corporation of the State of Delaware having a registered place of business at 1020 Deanna Drive, Menlo Park, CA 94025 is desirous of acquiring the entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, be it known that Assignors have sold, conveyed, assigned and transferred, and do hereby sell, convey, assign, transfer and set over unto Assignee, the entire right, title and interest in and to: (i) the Application and all the inventions claimed or disclosed in such Application; (ii) all pending applications and all provisional applications, divisional applications, continuation applications, continuation-in-part applications, continued prosecution applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions, and all other patent applications that have been or shall be filed in the United States and all foreign countries on any of said inventions or improvements, or claiming priority to or relying on the disclosure of the Application, or to which the Application directly or indirectly claims priority; (iii) all original patents, reissued patents, reexamination certificates, and extensions, that have been or shall be issued in the United States and all foreign countries on said inventions, improvements and/or patent applications; and (iv) all rights of priority resulting from the filing of said patents and/or patent applications ((i) – (iv) collectively, the "Patents").

Said sale, conveyance, assignment and transfer includes, without limitation, all rights to enforce, assert and sue for past, present and future infringement of the Patents, all rights to collect royalties on account of the Patents, and all rights to recover and collect for past, present and future damages related to the Patents, including injunctive relief or any other remedies of any kind.

Assignors hereby authorize and request the competent authorities to grant and to issue any and all such Patents in the United States and throughout the world to the Assignee and the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by Assignors had this assignment not been made.

Assignors further agree at any time to cooperate with Assignee, and to execute and to deliver upon request of the Assignee such additional documents, if any, as are necessary or desirable, in the prosecution of the Patents, and to secure patent protection on said inventions, discoveries and applications throughout all countries of the world, and otherwise to do such acts as are necessary to give full effect to and to perfect the rights of the Assignee under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.
