ASSIGNMENT

We, **AARON M. RONK**, residing in Brewerton, NY with a Business Address of 6304 Carrier Parkway - TR4, East Syracuse 13057 in the State of NY; **NADINE THOMPSON**, residing in Liverpool, NY with a Business Address of POB 4808, Building TR04, Syracuse 13221 in the State of NY; **DAVID M. ROCKWELL**, residing in Cicero, NY with a Business Address of Carrier Parkway, TR-4, Syracuse 13221 in the State of NY; has/have invented certain improvements in a " **OIL RECOVERY FOR REFRIGERATION SYSTEM**", and described in US Patent Application Serial No. 61/835,714, filed June 17, 2013, and International Application Docket No. PA-0025419, executed on even date herewith and listing as inventors: **Aaron M. Ronk, Nadine Thompson and David M. Rockwell**, (hereinafter the Application(s)) and for which International Application we authorize insertion post-execution here in parentheses (_____) the international filing date and International Application number when known.

At the time of the invention of the improvements, said improvements were assigned to or under obligation of assignment to Carrier Corporation (hereinafter Assignee) of a Delaware, U.S.A. corporation, having a place of business at One Carrier Place, Farmington, Connecticut, United States of America 06034.

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged by the undersigned, the undersigned have sold, assigned, transferred and set over and by these presents do hereby sell, assign, transfer and set over unto Assignee, its successors and assigns, our entire right, title and interest in and to:

said invention or inventions as described in the Application(s), in all forms and embodiments thereof and in all countries and other jurisdictions;

the Application(s) and all applications filed in all countries and jurisdictions based thereon or otherwise for said invention or inventions, including direct or indirect nonprovisional of, divisional, continuation, continuation-in-part, or substitute applications, and including the right to file all said applications under the provisions of the Paris Convention for the Protection of Industrial Property, Patent Cooperation Treaty or other international convention or agreement;

all patents and reissues, reexaminations, or extensions thereof to be obtained in all

countries and jurisdictions upon said invention or inventions or from all said applications;
and

to all such rights relating to prior infringements, retroactive or past royalties,
provisional rights, and other retroactive or past relief or compensation.

The undersigned hereby authorize and request the issuing authorities in all countries and
jurisdictions to issue all patents on all said applications to Assignee or its successors and assigns.

The undersigned further agree, without any further payment or compensation by Assignee
or its successors and assigns, to communicate to Assignee, its successors and assigns and to their
representatives and agents, all facts relating to said invention or inventions including evidence
for interference purposes or for other legal proceedings whenever requested; testify in all
interference or other legal proceedings, whenever requested; execute and deliver, on request, all
lawful papers required to make all of the foregoing provisions effective; and generally do
everything possible to aid Assignee, its successors or assigns and nominees to obtain and enforce
proper patent protection for said invention or inventions in all countries and jurisdictions.

IN TESTIMONY WHEREOF, the undersigned have-hereunto set their hand and seal on
the date after their signature.
