## DEED OF ASSIGNMENT

THIS DEED is made this 11<sup>th</sup> day of June two thousand and thirteen

BETWEEN: Darren Martin of 9 Mavis Street, St Lucia, Queensland 4067, Australia

(in this Deed called "the Employees")

AND: THE UNIVERSITY OF QUEENSLAND of St Lucia, Queensland 4072, Australia

(in this Deed called "the University" )

BACKGROUND:

A. The Employees are the inventors of an invention called "Scratch Resistant Polymers" as developed under the supervision of Professor Darren Martin ("the invention").

B. The Employees are employees of the University.

C. The invention was made by the Employees in the course of their employment by the University.

D. The University wishes to obtain protection for the invention by applying for patents in relation to the invention ("the Patent Application").

THIS DEED PROVIDES:

1. The Employees assign to the University their entire right, title and interest in and to:
  - (a) the invention,
  - (b) the Patent Application, including the right to claim Convention priority,
  - (c) any patent granted pursuant to the invention in Australia and all other countries of the world
2. The Employees will at the expense of the University do all acts and execute all documents necessary or desirable for further assuring the title of the University to the invention and for obtaining and securing patent and corresponding protection in Australia and all other countries of the world.
