PATENT ASSIGNMENT

WHEREAS, I John M. Keller of HC 79, BOX 130, Canvas, West Virginia 26662, a citizen of the United States of America, hereinafter "Assignor," have invented new and useful improvements in a "ALTERNATIVE-FUEL INDUCTOR FOR ENGINES" for which U.S. Patent Number 8,448,924 was issued on February 22, 2011, and

WHEREAS, US Carburetion, Inc., a West Virginia corporation located at 416 Main Street, Summersville, West Virginia 26651 (the "Company"), hereinafter "Assignee", is desirous of acquiring the entire interest in the same;

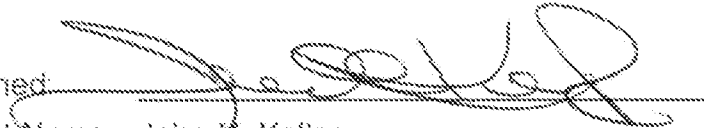

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00), the receipt and sufficiency of which is hereby acknowledged, and for other good and valuable consideration, Assignor hereby does sell, assign and transfer unto Assignee the entire right, title and interest in and to said inventions and applications in the United States and throughout the world, including without limitation, any letters patent which may issue thereon or therefor, and any subsequent patent(s) or application(s) claiming priority to the above-identified applications, including any non-provisional U.S. patent application(s) claiming priority under 35 U.S.C. § 119(e), any foreign or international counterpart application(s) for patent or utility model, any reissue, reexamination, division, continuation-in-part, extension or continuation application(s), all rights of priority under any international treaty or convention arising from said applications, and the right to sue and collect damages for any past, present, or future infringement, and including any copyright interests in any works included in the invention; the same for

Assignee's legal representatives and assigns, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made;

AND, I hereby bind myself and my heirs, legal representatives, administrators and successors, to properly execute without further consideration any and all applications, petitions, oaths, declaration and assignments or other papers and instruments which may be necessary in order to carry into full force and effect the sale, assignment, transfer and conveyance hereby made or intended to be made and generally do everything possible to aid Assignee, its legal representatives and assign to obtain and enforce proper protection for said invention in all countries throughout the world.

Assignor acknowledges that the attorneys and agents of the law firm of Gardner Groff Greenwald & Villanueva, PC do not personally represent Assignor or Assignor's legal interests, but instead represent the interests of Assignee, and cannot provide legal advice to Assignor with respect to this Assignment. Assignor further acknowledges his right to obtain independent legal counsel.

IN WITNESS WHEREOF, I have executed this assignment this 15th day of December, 2015.

Signed
