ASSIGNMENT

WHEREAS, I/We MinHsuan Sun of No. 10, Ln. 97, Fengchia Rd., Caotun Township, Hsinchu County have invented certain improvements in:

GOLF GRIP

..... for which we are about to make application for Letters Patent in the United States and which claims the benefit of U.S. Provisional Patent Application Serial No. filed 2015 and,
X for which application for Letters Patent in the United States was made on May 20, 2015, Serial No. 29/517,570 and,
 which claims the benefit of U.S. Provisional Patent Application Serial No. filed, and,

WHEREAS, **EATON CORPORATION**, a corporation organized and existing under the laws of the State of Ohio, having its principal place of business at 1000 Eaton Boulevard, Cleveland, Ohio 44122 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and applications and in and to the Letters Patent to be obtained therefor;

NOW, THEREFORE, for and in consideration of my employment and the salary or wages paid to me by EATON CORPORATION, I/We, MinHsuan Sun, by these presents do sell, assign, and transfer unto said EATON CORPORATION, its successors and assigns, the full and exclusive right, title and interest in and to the invention, the application, all applications claiming benefit of the application, including, but not limited to, all non-provisional applications, divisions and continuations of the application, and all Letters Patent that may be granted thereon in the United States, Canada and all foreign countries, and all reissues thereof, together with the right to claim priority under the International Convention in all member countries; and We authorize and request the Director of Patents and Trademarks to issue all Letters Patent for the invention to Assignee, its successors, legal representatives, and assigns in accordance with the terms of this Assignment.

AND, We covenant and agree that We have the full right to convey the entire right, title, and interest herein assigned and that We have not executed and will not execute any assignment or other instrument in conflict with this Assignment.

AND We further covenant and agree that upon request by Assignee, its successors, legal representatives, and/or assigns, and without further consideration, We will do all lawful acts that may be necessary or desirable to assist Assignee, its successors, legal representatives, and/or assigns to obtain and enforce patent protection for the invention in the United States and in all foreign countries, including but not limited to, communicate with Assignee, its successors, legal representatives, and/or assigns any facts known to me/us regarding the invention, testify in any legal proceeding, sign all lawful papers, execute and deliver all papers that may be necessary or desirable to perfect the title to the invention in Assignee, its successors, legal representatives, and/or assigns, execute all divisional, continuation, and reissue applications, and make all rightful oaths, it being understood that any expense incident to the rendering of such assistance will be borne by Assignee, its successors, legal representatives, and/or assigns;

AND We further hereby authorize Assignee, or its attorneys or agents, to insert the correct Application Number and filing Date into this Assignment, if none is indicated on that date of our execution of this Agreement.
