ASSIGNMENT

WHEREAS I, Lane D. Foil, the below-named inventor whose address and citizenship are as stated below next to my name, have made an invention, along with Felicito Guerrero, Adalberto A. Perez De Leon, in "Vaccination of Companion Animals to Elicit a Protective Immune Response Against Tick Infestations and Tick-Borne Pathogen Transmission," which invention is the subject of United States patent application serial number 14/200,502, filing date March 7, 2014; which claimed the benefit of the priority of United States provisional patent application serial number 61/779,040 filed March 13, 2013 (the 14/200,502 and 61/779,040 applications sometimes to be referred to collectively as the "Patent Applications");

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto the **Board of Supervisors of Louisiana State University and Agricultural and Mechanical College** (acting on behalf of its Louisiana State University Agricultural Center), its successors and assigns, my entire right, title, and interest in and to the said invention and Patent Applications, as well as any corresponding foreign patent applications; and in and to any division, continuation, or continuation-in-part of the Patent Applications; and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and of all other countries (including the right to apply for Letters Patent in any country in its own name, and to claim any priority rights for such applications to which such applications are entitled under international conventions, treaties, or otherwise); which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made.

I do further agree for myself and my heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such acts as I lawfully may, that may be deemed necessary by the said **Board of Supervisors of Louisiana State University and Agricultural and Mechanical College** (acting on behalf of its Louisiana State University Agricultural Center), its successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And I do hereby authorize the Director of the United States Patent and Trademark Office, and any foreign counterpart to the Director, to issue any and all Letters Patent which may be granted upon any of the said applications, to the said **Board of Supervisors of Louisiana State University and Agricultural and Mechanical College** (acting on behalf of its Louisiana State University Agricultural Center) as the assignee of my entire interest therein.

In witness whereof, I have hereunto signed my name on the date set forth below.

Date: December 9, 2015
