**TRANSFER OF IMMATERIAL AND OTHER RIGHTS TO TEKNOLOGIAN TUTKIMUS-
KESKUS VTT OY / VTT TECHNICAL RESEARCH CENTRE OF FINLAND LTD**

The new non-profit company, Teknologian tutkimuskeskus VTT Oy (also VTT Technical Research Centre of Finland Ltd, **hereinafter "VTT Oy"**, business ID 2647375-4), fully owned by the State of Finland, was established and started its actual operations on January 1, 2015. VTT Oy, as a 100 % state-owned limited liability company, operates under the administration of Ministry of Employment and the Economy.

Background

On January 1, 2015 all immaterial and other rights were transferred to VTT Oy in accordance with § 1 of the Act on converting of VTT Technical Research Centre of Finland and the Centre for Metrology into a limited liability company (762/2014) and also in accordance with the Decision of the Finnish Government on December 11, 2014. According to the said Act the Finnish Government is entitled to hand over to VTT Oy all possessions, immaterial rights as well as all business activities under the control of VTT. According to the above mentioned decision the Ministry of Employment and the Economy has a right on behalf of the State of Finland to hand over to VTT Oy all possessions, immaterial and other rights as well as all business activities under the control of VTT. The Ministry of Employment and the Economy has made the said disposition on January 1, 2015.

Entitlements regarding IPRs

Therefore VTT Oy is entitled to e.g. apply for and be granted a patent for any invention previously owned by VTT; register in its own name any pending patent application (including both provisional and non-provisional patent applications) or granted patent for which VTT is registered as applicant or assignee/owner /proprietor or which was previously the property of VTT; transfer ownership of any pending patent application (including both provisional and non-provisional patent applications) or granted patent filed or previously owned by VTT to any third party and; claim priority of any patent application (including both provisional and non-provisional patent applications) filed by VTT by way of the above mentioned Act and its derivatives.

The aforementioned entitlements regarding patents and patent applications also concern all industrial and intellectual property rights, including but not limited to registering or transfer of utility models, trade-marks and protection of design and applications thereof.
