ASSIGNMENT OF PATENT PROPERTIES

WHEREAS, Matthew James Andros, is a resident of Santa Margarita, California (“Assignor”), and Sunview Vineyards of California is a California Corporation having an operational facility at 1998 Road 152, Delano, CA 93215 (“Assignee”); and

WHEREAS, Assignor is an inventor of the inventions described and set forth in United States Patent Application No. 13/535,329, filed on March 13, 2013, entitled “Device for Pruning Plant Growth” (the “Patent Properties”) and

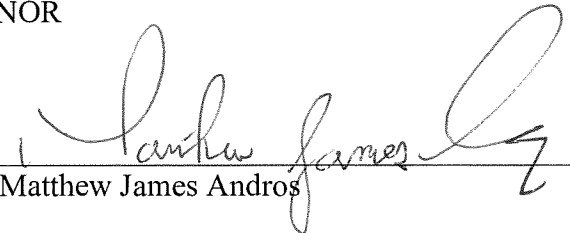

WHEREAS, Assignor is willing to assign his interest in the Patent Properties to Assignee and Assignee desires to obtain all of Assignor’s right, title and interest in the Patent Properties;

NOW THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, receipt of which by Assignor is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to Assignee, its successors and assigns, Assignor’s entire right, title and interest in and to the Patent Properties, including the right to claim priority of the Patent Properties, and all associated patent rights, domestic and foreign, and all related domestic and foreign patent applications (and any resulting patents), including all continuations, divisions, revisions, extensions, reissues and reexaminations thereof, the inventions described therein, and in and to any Letters Patent which may hereafter be granted on the same in the United States or anywhere else in the world; together with all rights to profits, royalties, and damages for past and future infringement of the Patent Properties by any party and all rights to sue for and collect such profits, royalties and damages; the same to be held and enjoyed by Assignee for its own use and behalf, and for its successors and assigns, as fully and entirely as the same would have been held by Assignor had this Assignment and transfer not been made.
