ASSIGNMENT

WHEREAS I, Max Enrique Zabala Rodriguez, residing in Miami, Florida, USA, have invented certain new and useful improvements in

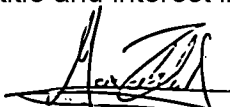

**COMPUTER-IMPLEMENTED METHODS AND SYSTEMS FOR DETERMINING
DEVELOPMENT POTENTIAL**

for which an application for Letters Patent of the United States of America is being executed on the date of execution of this assignment, and in United States Patent Application Serial No. 13/467,144, filed on May 9, 2012, and in the provisional patent application (U. S. Patent Application Serial No.61/484,432) from which the above applications claim priority (collectively, the "applications");

WHEREAS, **GRIDICS LLC**, a Delaware limited liability company doing business at Miami, Florida USA, is desirous of acquiring the entire interest in the underlying invention described in the applications, and in any and all Patents of the United States and of any other countries in which application for patent has been or will be made, that may be obtained therefor;

NOW, THEREFORE, be it known that for and in consideration of our employment by, or contract with, the said limited liability company and other valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said limited liability company, its legal representatives, successors and assigns, the full and exclusive rights, worldwide, to the said invention as set forth and described in the above-mentioned applications, and to any applications filed on the invention, including the applications and any and all divisions and continuations thereof, and any and all Letters Patents or Grants provided in the United States and in any other country, worldwide, which may be granted therefor, and any and all reissues of said Letters Patents and Grants, the same to be held and enjoyed by the said limited liability company, its legal representatives, successors and assigns, to the full end of the term for which said Letters Patent and Grants may be granted or may be reissued or extended, as fully and entirely as the same would have been held by us, had this assignment and sale not been made.

AND WE hereby authorize the said limited liability company to make an application for Letters Patent and the Director to issue any and all Letters Patent of the United States and worldwide on the invention or resulting from the application and from any and all divisions and continuations thereof to the said limited liability company as the assignee of the entire right, title and interest in and to the same.
