ASSIGNMENT

WHEREAS, I, DANIEL MASSAM, residing at 7 Edgemont Lane, Langhorne, PA 19047, a citizen of the United States of America, have co-invented certain improvements in LOCKING SIDEWALL BRACE FOR PORTABLE COLLAPSIBLE FLUID CONTAINMENT DEVICE for which I am a named co-inventor of U.S. Provisional Patent Application Serial No. 62/097,903, having a filing date of December 30, 2014; and

WHEREAS, TECHNICAL EDGE & MANAGEMENT, INC., having a place of business at 1071 Lindenhurst Road, Yardley, PA 19067, hereinafter called the "Assignee", is desirous of acquiring my entire right, title, and interest in and to said Provisional Application, subsequent patent applications claiming the benefit of the Provisional Application, and the inventions and improvements therein disclosed;

NOW, THEREFORE, in consideration of good and valuable consideration, receipt whereof I hereby acknowledge, I do hereby assign, sell, transfer, and set over unto said Assignee my entire right, title, and interest in and to said Provisional Application, subsequent patent applications claiming the benefit of the Provisional Application, and the inventions and improvements therein disclosed for the United States and all foreign countries and any Letters Patent which may issue therefor in the United States and all foreign countries, and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof including all priority rights under the International Convention associated therewith for each country and the Union, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me had this assignment not been made.

The Commissioner of Patents and Trademarks is requested to issue such Letters Patent in accordance herewith. I covenant that I am a lawful owner of the said Provisional Application, inventions, and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the said inventions or improvements or any of them, and that I have the full right to make this assignment.

And for the consideration aforesaid, I agree that I will communicate to said Assignee or the representatives thereof any facts known to me respecting said inventions and improvements, and will, upon request, but without expense to me, testify in any legal
