ASSIGNMENT

This Assignment of patent rights is made as of the 23 day of July 2015 (the Effective Date) by and between

- (1) ARRAY BIOPHARMA INC., a Delaware corporation of 3200 Walnut Street, Boulder, Colorado 80301, US ("ARRAY"), and
- (2) ASTRAZENECA AB ("AZ"), a company incorporated in Sweden under no. 556011-7482 with its registered office at S-151 85 Södertälje, Sweden.

WHEREAS, ARRAY is the owner of the right, title and interest in an invention entitled "N3 Alkylated Benzimidazole Derivatives as MEK Inhibitors" (the "Invention") which is found and claimed in U.S. Provisional Patent Application Serial No. 60/364,007 filed on 13 March 2002 and the corresponding patent applications listed in the Schedule attached hereto which claim priority thereto ("the Applications"), said rights duly assigned to ARRAY by the original inventors Eli M. Wallace, Joseph P. Lyssikatos, Brian T. Hurley and Allison L. Marlow.

WHEREAS, AZ wishes to acquire rights to and interest in and to all inventions claimed in such Applications, and in, to and under any granted patents ("Letters Patent") which may be obtained to said Invention, such that these be jointly owned by Array and AZ in equal undivided shares.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, ARRAY does hereby assign to AZ, its successors and assignees ARRAY's right, title and interest in, to and under the Applications listed in the Schedule attached thereto, including any Letters Patents that may issue for said Applications, any continuations, continuations-in-part, divisional, reissues, reexaminations and renewals thereof, corresponding supplementary protection certificates and the like and extensions thereof, such that said Applications and any Letters Patents be jointly owned by ARRAY and AZ in equal undivided shares, to the full end of the term or terms for which any and all of said Letters Patent for said inventions have been granted or extended. This assignment includes the grant by ARRAY to AZ of the right to claim priority for the Applications and Letters Patents under the International Convention for the Protection of Industrial Property and all other applicable treaties and conventions.

ARRAY authorizes and requests the United States Commissioner of Patents and Trademarks to issue any such Letters Patent which may be granted on the U.S. Applications to ARRAY and to AZ as owners of equal undivided shares of the entire right, title and interest therein and thereto.

ARRAY hereby authorizes the United States Commissioner of Patents and Trademarks and, as appropriate, the corresponding officials of other countries, to record this Assignment.

ARRAY covenants and agrees with AZ that ARRAY's right, title and interest in such Applications and any Letters Patent which may be obtained for said invention has not been

encumbered; that ARRAY has good right and title to assign the aforementioned rights and interest in the same; and that ARRAY will not execute any instrument in conflict with this assignment.

AZ covenants and agrees with ARRAY that AZ will not execute any instrument in conflict with ARRAY's right, title and interest in the Applications and any Letters Patent which may be obtained for said invention.

IN WITNESS WHEREOF, the Parties have executed this Agreement in duplicate originals by their duly authorized representatives as of Effective Date.

Array BioPharma Inc.

By: [Signature]

Name: John R. Moore

Title: Vice President and General Counsel

Date: 23 July 2015

AstraZeneca AB (publ)

By: [Signature]

Name: ANDREW COOK

Title: Senior Patent Attorney

Date: 21st September 2015

On this 23 day of July, 2015, before me personally appeared John R. Moore, Vice President and General Counsel of Array BioPharma Inc., to me known to be the person named in and who executed the above instrument, and acknowledged to me that he/she executed the same for the uses and purposes therein set forth.

[Signature]
Notary Public

My commission expires 10/15/2015

On this 2nd day of September, 2015, before me personally appeared ANDREW COOK, to me known to be the person named in and who executed the above instrument, and acknowledged to me that he/she executed the same for the uses and purposes therein set forth.
