ASSIGNMENT

WHEREAS WE, **DANIEL NEIL O'CONNELL**, having a postal address of 7388 Tucelnuit Drive, Oliver, British Columbia, V0H 1T2 and **DAVID KARL WABNEGGER**, having a postal address of #130, 4209 – 99th Street, Edmonton, Alberta T6E 5V7 (hereinafter individually and collectively, the "Assignors"), are the co-inventors of certain inventions or improvements described, or described and claimed, in a yet to be filed United States Patent Application, entitled:

ROTATING CONDUCTOR HOLDER

(the said patent application being hereinafter called the "Application").

AND WHEREAS, **QUANTA ASSOCIATES, L.P.** (hereinafter the "Assignee"), whose address is 2800 Post Oak Blvd., Suite 2600, Houston, Texas, U.S.A. 77056-6175 is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements, and in and to the said Applications, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries.

NOW THEREFORE, in consideration of the sum of ONE (\$1.00) DOLLAR and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, the Assignors, do hereby sell, assign, transfer and set over to the Assignee, the entire right, title and interest in and to the said inventions and improvements and the said Application, and in and to any and all improvements thereto, and any and all applications claiming priority from said Application, and any and all continuations, continuations-in-part, divisions, renewals of or substitutes for said Application and corresponding applications, and in, to and under any and all Letters Patent which may be granted on or as a result thereof, and any reissue or reissues of said Letters Patent; and including without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof; and we do hereby assign to and authorize the Assignee to file and prosecute in our names applications for Letters Patent for said inventions or improvements in Canada, the United States of America, and all other countries, or Patent Cooperation Treaty applications or other regional applications, the same to be held and enjoyed by the Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by the Assignors, had this assignment, sale and transfer not been made;

AND we hereby covenant that we have full right to convey the entire interest hereby assigned, and that we have not executed and will not execute any agreement in conflict herewith, and we further covenant and agree that we will, each time request is made by the Assignee and without undue delay or further compensation whether monetarily or otherwise, execute and deliver in a timely manner all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said Application and said Letters Patent, in the Assignee, its successors, assigns, nominees or legal representatives, and we agree to communicate to the Assignee, or its nominees, all known facts respecting said inventions or improvements, said Application and said Letters Patent, and without further compensation whether monetarily or otherwise, and in a timely fashion, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid the Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit, proper patent protection for said inventions or improvements in any and all countries, all at the expense, however, of the Assignee or its successors, assigns, nominees or legal representatives;

AND we hereby authorize and request the Commissioner of Patents of Canada and the United States, and any official of any country or countries foreign to Canada or the United States whose duty it is to issue patents on applications as aforesaid, to issue to the Assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said inventions or improvements, which may be issued and granted on or as a result of the applications aforesaid, in accordance with the terms of this Assignment.

THIS Assignment may be executed in several counterparts, each of which will be deemed to be an original and all of which will together constitute one and the same instrument.

EXECUTED at Oliver, B.C. this 2 day of May, 2014.
