## **ASSIGNMENT OF PATENT RIGHTS**

Whereas, I, **Thomas E. Dekutoski, Jr.**, have invented certain new and useful improvements, and am the owner of United States Patent Application titled "Tray with Interlockable Plate, Bowl, and Flush Insert," filed on December 8, 2015;

And, whereas **Kranky Pantz, Inc.**, a Maine corporation, (hereafter, together with any successors, legal representatives or assigns thereof, called "Assignee") wants to acquire the entire right, title and interest in and to said improvements, patents and applications:

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee the entire right, title and interest in and to said improvements, and said applications and all divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for said improvements in any foreign countries; and the right to sue for infringements that occurred prior to the date of this assignment;

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents, or to record assignments of patents on applications as aforesaid, to issue all patents to Assignee, and to record this assignment for said improvements, patent applications, and issued patents in accordance with the terms of this assignment;

And I hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

And I hereby further covenant and agree that I will communicate to Assignee any facts known to me respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries.

In testimony whereof, I hereunto set my hand this 8<sup>th</sup> day of December, 2015.

Thomas E. Dekutoski, Jr.

Assignee, **Kranky Pantz, Inc.**, accepts the above assignment.
