### 3. Intellectual Property Assignment

ㄱ. I agree to disclose and assign the followings of the knowhow or all other intellectual property (Hereafter as "intellectual property", which includes all of invention, discovery, improvement, or other similar performance and result) invented, created, developed alone or jointly during my incumbency in "company" exclusively to "company" or a customer or other third parties (Hereafter as "company or the customer, etc.") which "company" decides, regardless of the possibility of registration under the law.

- (1) What is included within the general business scope of "company or the customer, etc."
- (2) What is created or caused by my performed work for "company"
- (3) What was made by using time, equipment, or material of "company or the customer, etc."

ㄴ. I agree to fulfil each of the followings.

- (1) Assigning my whole rights regarding "intellectual property" to "company or the customer, etc."
- (2) proper assistance such as making all of applications and assignment documents or other certain actions so that "company or the customer, etc." obtain the right of "intellectual property", or protect the conflict regarding the same right in the domestic and oversea jurisdiction during my incumbency in "company" or after my retirement
- (3) granting the license which can be granted to a third party, and is irrevocable, indefinite, unrestricted, and free, to "company or the customer, etc.", and giving up the whole right against "company or the customer, etc." regarding "intellectual property" if it is impossible to assign "intellectual property"

LG Innotek Co., Ltd.

4. Observation of Regulation

가. I will observe all of rules, regulations, provisions of "company", and will perform my duty faithfully by doing my best my work of "company" during my incumbency in "company".

나. I will not perform anything to damage reputation of my "company" as an employee of "company".

다. I agree to perform such a duty with good faith by making promise above. If I violate the agreement, I will accept and agree to be able to get punished by "company" or to get any civil or criminal liability including damage under Unfair Competition Prevention and Trade Secret Protection Act or other laws.

I have read the agreement carefully and thus I have confirmed that I understood the imposed obligations completely, and signed the agreement voluntarily on my own free will.
