ASSIGNMENT

I, Zoran Fejzo (residing at: 12206 Tweed Lane, Los Angeles, California, 90049, U.S.A.), hereby declare: I am the original, inventor of subject matter disclosed and/or claimed in a United States Patent entitled “**POST-ENCODING BITRATE REDUCTION OF MULTIPLE OBJECT AUDIO**”.

Will be filed. I hereby authorize, and request, the legal representatives, of DTS, Inc., having a place of business at 5220 Las Virgenes Road in Calabasas, California 91302, to insert here in parentheses (filed on December 15, 2015 and given Application No. 14/970,320) this application’s Application No., filing date, and Office, when known;

Was filed on _____ and was given Application No. _____.

DTS, Inc., is a corporation organized and existing under the laws of the State of Delaware, has a place of business at 5220 Las Virgenes Road in Calabasas, California 91302, United States, and desires to acquire the entire right, title and interest in and to the invention, application and letters patent to be granted and issued thereon.

For valuable consideration, the receipt and legal sufficiency of all of which I acknowledge, I have sold and do hereby sell, assign, transfer and set over unto DTS, Inc., its successors and assigns, the entire right, title and interest in and to the invention and all improvements thereon, in and to the application for letters patents thereon, in and to applications pertaining to or based upon the invention and application, including divisional and continuing applications and continuations-in-part, and PCT applications, and in and to any and all letters patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

I also agree that I will, at the request of DTS, Inc., execute any and all applications for letters patent for the invention, execute any and all other papers and documents and do all other and further lawful acts that DTS, Inc., may deem necessary or desirable to obtain letters patent on the invention, to secure the grant of such letters patent and to protect and vest in DTS, Inc. the undivided interests in the right, title and interest in the invention, applications and letters patent.

I also authorize and empower DTS, Inc., its successors and assigns to apply for and obtain, in its or their own names, letters patent for the invention before competent International Authorities and in any and all countries foreign to the United States in which applications for letters patent can be so made or letters patent so obtained.
