ASSIGNMENT

WHEREAS, I, Jared D. Pozarnsky, residing at 2252 21st Ave NW, Benedict, North Dakota, 58718 (hereinafter "Inventor") made certain new and useful inventions and improvements for which I filed an application for Letters Patent of the United States at the United States Patent and Trademark Office on December 16, 2014 for application Serial No. 62/124,367, which is entitled CCS Flue Gas Reheat System.

AND WHEREAS, Great River Energy, a cooperative association organized and existing under and by virtue of the laws of the state of Minnesota, and having an office and place of business at 12300 Elm Creek Boulevard, Maple Grove, Minnesota, 55369 (hereinafter "assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements, and application in and to the Letters Patent to be obtained therefore;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, the Inventor has sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application and in and to the application, all non-provisional applications, divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters patent of foreign countries which may be granted therefrom' and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title, and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, the Inventor does hereby agree that he and his executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments, and other documents, and will communicate to said Assignee, its successors and representatives all facts known to us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to

secure to and vest in said Assignee, its successors or assigns the entire right, title, and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges, and advantages hereby sold assigned, and conveyed, or intended so to be.

AND, furthermore the Inventor covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the Inventor and that full right to convey the same as herein expressed is possessed by the Inventor.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 2 day of September, 2015.

Jared D. Pozarnsky

STATE OF NORTH DAKOTA) ss.
COUNTY OF McLean)

On this 2 day of September, 2015, before me personally appeared Jared D. Pozarnsky, to me known to be the person described in and who executed the foregoing instrument, and he duly acknowledged to me that he freely executed the same for the uses and purposes therein set forth.
