**ASSIGNMENT**

**PARTIES TO THE ASSIGNMENT:**

**INVENTOR(S)/ASSIGNOR(S):**

Jeff Gibson  
8905 E. South Riverway  
Spokane, WA 99212  
United States

Steven Ray  
2 Morven Court  
Castle Hill, NSW 2154  
Australia

**ASSIGNEE:**

Pyrotek Incorporated  
705 W 1<sup>st</sup> Avenue  
Spokane, WA 99201  
United States

**BACKGROUND OF THIS ASSIGNMENT:**

INVENTORS HAVE conceived certain new and useful inventions disclosed in a United States patent application titled Ceramic Filters, United States Patent Application Serial No. 14/776,588, filed September 14, 2015, claiming priority to Patent Cooperation Treaty Application No. PCT/US14/23436, filed March 11, 2014, claiming priority to United States Provisional Application Serial No. 61/800,065, filed March 15, 2013.

INVENTORS are employees of Pyrotek Incorporated, and part or all of Inventors' duties include inventing and product development, including this

invention. Assignee is the owner of said inventions and Inventors are obligated to enter an assignment therefore.

Pyrotek Incorporated (hereinafter referred to as "ASSIGNEE") therefore owns the entire right, title and interest in said inventions and with respect to any Letters Patent that may be granted with respect to the inventions in both the United States and in all foreign countries.

**AGREED EFFECTIVE DATE OF ASSIGNMENT:**

The Assignors and Assignee agree that in light of the nature of the relationship of the Assignors and the Assignee, the effective date of the assignment of ownership and interest in the invention and patents is March 15, 2013.

**THE PARTIES AGREE AS FOLLOWS:**

In consideration of good and valuable consideration as stated above, and the employment relationship, the receipt of which is hereby acknowledged, INVENTORS do hereby sell, assign and transfer to ASSIGNEE the entire right, title and interest in the above-identified application executed concurrently with this assignment and to any reissues, divisions or continuations thereof, and hereby authorizes the Commissioner of Patents and Trademarks to issue such Letters Patent to ASSIGNEE for the sole use of ASSIGNEE, its successors or assigns. This transfer includes any Letters Patent that may be granted in the United States or in any foreign countries.

INVENTORS further agree to execute, at the request and expense of ASSIGNEE such other formal documents as may be required to fully convey or record the interest transferred herein and will similarly execute any application papers required for the filing of any division, continuation or reissue of the patent application or resulting Letters Patent; and will generally do everything necessary or desirable to obtain and enforce proper protection for the inventions assigned hereby.

INVENTORS further assign to ASSIGNEE the whole right, title and interest in the inventions disclosed in the application throughout all countries foreign to the United States. ASSIGNEE is hereby authorized to apply for patents relating to the inventions in its own name in countries where such procedure is proper; to claim the benefit of the International Convention; to file and prosecute International Applications relating to the inventions under the Patent Cooperation Treaty; and to file and prosecute applications relating to the inventions under the European Patent Convention.

INVENTORS agree to execute applications relating to the inventions in those countries and under those conventions where it is necessary that the same be executed by the inventors, and to execute assignments of such applications and the resulting Letters Patent to ASSIGNEE, as well as all other necessary papers in relation to such applications and Letters Patent. In the event that INVENTORS are unable or unwilling to later execute all application related documents required by ASSIGNEE, INVENTORS hereby irrevocably grant ASSIGNEE the limited power of attorney to, as an attorney in fact for

INVENTORS, to execute said documents on behalf of INVENTORS to have the same legal effect as though executed by INVENTORS.

Signed at SPOKANE, WA (City/State)

On the 21<sup>ST</sup> day of DECEMBER, 2015.
