ASSIGNMENT

WHEREAS, I, Chris Talbot, resident Moorpark, California, (hereinafter called the "Assignor"), have invented certain new and useful inventions entitled "Method and System for Routing Video Calls to a Target Queue Based Upon Dynamically Selected or Statically Defined Parameters," the specification of which:

- ☐ is attached hereto.
- ☒ was filed on July 18, 2014, and assigned U.S. Application No. 14/335,552.

WHEREAS, Purple Communications, Inc., a company, having its principal place of business at 16615 Lark Avenue, Suite 201, Los Gatos, CA 95032 (hereinafter called the "Assignee"), is desirous of acquiring and Assignors are desirous of assigning to Purple Communications all right, title, and interest in and to said Invention, patents and patent applications on said Invention;

NOW, THEREFORE, Assignor, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do hereby SELL, ASSIGN and CONVEY unto Assignee all right, title and interest throughout the world in and to said invention, this assignment including, but not being limited to:

1. All applications for patent or like protection on said Invention made by Assignor or their legal representatives, whether in the United States of America or any other country or place anywhere in the world;
2. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extension, and the like of said applications and patents and like grants, including without limitation, those obtained or permissible under past, present and future laws or statutes;

3. All rights of action on account of past, present and future unauthorized use of said Invention and for infringement of said patents and like protection;

4. The right to file in its name applications for patents and like protection for said Invention in any country or countries foreign to the United States; and

5. All international rights or priority associated with said Invention, applications for patents, patents and like protection.

I hereby authorize and request the Director of U.S. Patent and Trademark Office, and all other national patent offices in which corresponding applications are filed, to issue any patents for the said invention to said assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof and for the use and behoof of his legal representatives, to the full end of the term for which said patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

Assignor covenants that Assignor, their heirs, legal representatives, assigns, administrators, and executors will execute all papers and perform such other acts, with expenses if any to be paid by Assignee, as may be reasonably necessary to give Assignee, its successors and assigns, the full benefit of this Assignment. This Assignment shall be binding upon and shall inure to the benefit of the successors, assigns and legal representatives of the parties hereto.
