ASSIGNMENT

I, the undersigned inventor Peter MAYER, a citizen of Austria, residing at Grestner Straße 24/11, Wieselburg A-3250, Austria, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, do hereby sell, transfer, and assign to the Assignee, Zizala Lichtsysteme GmbH, an entity organized and existing under the laws of Austria, and having a place of business at Scheibbser Straße 17, Wieselburg A-3250 Austria, my full, exclusive, and entire right, title, and interest for the territory of the United States of America, in and to the invention entitled "Dynamic Means of Illuminating a Field of Vision," as described and claimed in the application for Letters Patent about to be filed in the United States Patent and Trademark Office, which claims priority to International Application No. PCT/AT2014/050157, filed 15 July 2014 and to Austrian Patent Application No. A 50454/2013, filed 16 July 2013, my full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, reexaminations, and reissues thereof; and I hereby request the Commissioner of Patents and Trademarks of the United States of America to issue said Letters Patent to the Assignee, for its interest, for the sole use of the Assignee and its successors, assigns and legal representatives, as fully and entirely as the same would have been held by me had this assignment not been made;

AND, for the same consideration, I agree to sign all lawful papers, execute all division, continuing, reexamination, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid the Assignee, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in the United States of America.

Date Signed: 13.12.16
