CONFIRMATORY ASSIGNMENT

This Confirmatory Assignment is made this 24th day of September 2015, between:

Peter Macqueen of 42 Carlton Road, Hillsborough, Sheffield, S6 1WS, UK
(hereinafter referred to as the Assignor); and

Design Futures-Packaging, trading as part of Sheffield Hallam University Enterprises Limited (a wholly owned subsidiary of Sheffield Hallam University), Registered Office: City Campus, Sheffield Hallam University, Howard Street, Sheffield S1 1WB registered in England, Company No. 02143539 (hereinafter referred to as the Assignee).

The Assignor is an inventor of an invention relating to a stacking tray (Mondelez reference: 81464643) (hereinafter referred to as the Invention). The invention belongs to the Assignee for the purposes of the UK Patents Act 1977 and all other purposes.

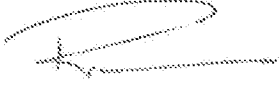

For the avoidance of doubt it is confirmed that any and all rights in the Invention which do not or may subsequently be held not to belong to the Assignee in accordance with the provisions of Sections 39-43 of the Patents Act 1977 are assigned to the Assignee including the right to make application for patent in the United Kingdom and also in foreign countries including application under the European Patent Convention and the Patent Cooperation Treaty for the said invention together with the right to claim priority under the International Convention for the benefit of the Assignee.

In consideration of the sum of Ten Pounds Sterling (£10) now paid to the Assignor by the Assignee (receipt of which is hereby acknowledged by the Assignor) the Assignor hereby assigns to the Assignee the Invention referred to above and all rights arising therefrom, including the right to file patent applications in any country in respect of the Invention, and including the right to bring proceedings for any previous infringement of the rights assigned by this Assignment.

It is also hereby agreed that the Assignor will, at the expense of the Assignee, execute all such documents, and do all such things, as may reasonably be required for the Assignee (or the nominee of the Assignee) to enjoy the full benefit of the

property and rights hereby assigned, including (if required to do so by the Assignee)
applying for patents in the name of the Assignor.
