ASSIGNMENT OF APPLICATION

Docket Number (Optional)
2590.2.14.5

I, Paul W. Suver whose residence and post office address is as stated below next to my name, hereafter referred to as applicant, have invented certain new and useful improvements in APPARATUS AND METHODS FOR THE PLACEMENT OF PIPE PILING

for which an application for a United States Patent was filed on August 10, 2015, and was assigned Serial No. 14/820,478

for which an application for a United States Patent was executed on _____, and

Whereas, American Piledriving Equipment, Inc. a corporation of the state of Washington herein referred to "assignee" whose mailing address is 7032 South 196th, Kent, Washington 98032 is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of one dollars (\$1.00), the receipt whereof is acknowledged, and other good and valuable consideration, I, the applicant, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and the entire right, title and interest in and to any and all Patents which may be granted therefore in the United States, I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for his sole use and benefit; and for the use and benefit of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

Executed this 15 day of January, 2016, at KENT WA
