ASSIGNMENT

This assignment made this 29th day of August 2011

Between

Cynthia Phillips residing at 764 Janice Court,
Wyckoff, New Jersey 07481 USA

hereinafter called the assignor,

and

M. Francesca Polli residing at 232 Haven Road,
Franklin Lakes, New Jersey 07417 USA

hereinafter called the assignee,

Whereas the assignor is an owner of the invention
disclosed, described and claimed in United States patent
application 12/228,004 entitled

DRINKING GLASS MARKER APPARATUS

filed on August 3, 2008
which is described in the specification that accompanied
the aforementioned United States patent application and
includes the invention disclosed and described in any
referenced prior filed provisional patent application upon
which priority may be claimed,

and whereas the assignor has agreed to sell, assign,
transfer and set over to the assignee their entire right,
title and interest in the invention and any letters patent
that may be granted in the United States of America
together with all rights, title and interest to apply for
and obtain corresponding patent applications and any
resulting letters patent in countries outside the United
States of America that claim priority from the
aforementioned United States application or any referenced
prior filed provisional patent application upon which
priority may be claimed.

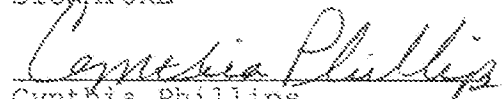

Now pursuant to this agreement and for the valuable consideration of the sum of One Dollar and of other good and valuable consideration paid to the assignor by the assignee the receipt of which is hereby acknowledged by the assignor, the assignor hereby sells, assigns, transfers and sets over to the assignee their entire right, title and interest in the invention and any letters patent that may be granted in the United States of America together with all rights, title and interest to apply for and obtain corresponding patent applications and any resulting letters patent in countries outside the United States of America that claim priority from the aforementioned United States application or any referenced prior filed provisional patent application upon which priority may be claimed.
