## ASSIGNMENT

In consideration of the payment of one (\$1.00) dollar, and for other good and valuable consideration, the receipt of which is hereby acknowledged, SpecialtyCare IOM Services, LLC, a Delaware Limited Liability Company ("Assignor") hereby assigns to SpecialtyCare, Inc., a Delaware Corporation ("Assignee") its entire right, title, and interest in and to the Inventions, Patents, and Patent Applications listed in Schedule 1 ("The Assigned Intellectual Property"); in any and all patents, reissue patents, certificates of inventorship, design registrations, utility models, and the like, that may be granted in the U.S. or in any foreign country with respect to the Inventions of the Assigned Intellectual Property; in any and all applications, including provisionals, non-provisionals, continuations, continuations-in-part, divisions, PCT applications, PCT national stage entry applications, corresponding foreign patent applications that may be filed with respect to the Inventions of the Assigned Intellectual Property, or improvements thereto, and any and all patents resulting therefrom, including the patent applications of the Assigned Intellectual Property; the right to claim priority to the Patent Applications of the Assigned Intellectual Property; the rights to be granted one or more patents in any country in the world; and the right to sue and recover damages for past, present, and future infringement of the Assigned Intellectual Property or any other patents issuing therefrom.

Assignor represents and warrants that he has not transferred, licensed, and/or assigned any interest in the Invention to anyone other than Assignee, and that he has not entered into any contract, assignment, or license conveying any right granted to Assignee hereunder, or that would otherwise conflict with this Assignment.

Assignor will, without additional charge to Assignee but at Assignee's expense, cooperate with and assist Assignee such that Assignee may realize and fully enjoy all the rights assigned hereunder, including the preparation and execution of all papers needed by Assignee, and providing such information and assistance as may reasonably be required by Assignee in any administrative or legal proceeding to obtain or protect such rights.

This Assignment and each of its terms shall be binding on the Assignor, and his representatives, heirs and assigns, and shall inure to the benefit of Assignee, its successors, and assigns.
