ASSIGNMENT OF INVENTION AND PATENT APPLICATION

Whereas, I, the below named inventor, with residence and citizenship as indicated below; have made an invention titled

RETAIL LOCATION ROBOTIC WALL SYSTEM

and have executed an application for Letters Patent of the United States of America based thereon; which application was executed by me on 5/15/12.

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto:

BBY SOLUTIONS, INC.

a Minnesota corporation having its principal office at 7601 Penn Avenue S., Richfield, MN 55423 (the "Company") its successors and assigns, the entire right, title, and interest in and to the said invention and application, anywhere in the World, including the United States, and the entire right, title and interest in and to any and all Patents which may be granted therefor anywhere in the World, including in the United States. Such assignment includes any parent patent applications, continuations, continuations-in-part, divisionals, or any other further application based in whole or in part on the above invention or application, and any patent rights relating thereto (including utility models and inventors' certificates), whether in the United States or anywhere in the World,

I do further agree for myself and my heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I may lawfully do, that may be deemed necessary by the said Company, its successors, assigns, and nominees, to secure its right, title, and interest in the invention and to obtain or maintain patent rights, utility models, or inventors' certificates in any and all countries;

And I do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to the said Company, as the assignee of the entire right, title, and interest therein.
