PATENT ASSIGNMENT

WHEREAS, ERIC LEVIN (hereinafter "Assignor") of Westport, Connecticut, owns certain right, title and interest in and to the inventions set forth in Exhibit A attached hereto and incorporated herein, and in and to such patents and patent applications;

WHEREAS, ERIC LEVIN desires to assign its right, title and interest in and to such inventions, patents and patent applications set forth in Exhibit A to GEMINI MANUFACTURING, LLC, (hereinafter "Assignee"), a New York limited liability company, having a business address of 346 Rte 6 #869, Mahopac, NY 10541;

WHEREAS, Assignor is executing this Patent Assignment to confirm and acknowledge for recording purposes that he has assigned and transferred all of his right, title and interest in and to the inventions, patents and patent applications set forth in Exhibit A to Assignee;

NOW, THEREFORE, Assignor hereby acknowledges and confirms that, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred to Assignee, its successors and assigns, his entire right, title and interest in and to such inventions, such patent applications and such patents and any patents, and any reissues and extensions thereof, which issue or have issued in any country upon patent applications which correspond with any of such application or patent or any divisional, continuation-in-whole, or continuation-in-part thereof, including the right to sue for past, present and future infringement and the right to all proceeds related to such infringement actions; the same to be held and enjoyed by Assignee for his own use, and for the use of its legal representatives, to the full term for which such patent has been granted as fully and entirely as the same would have been held by Assignor had such assignment not been made.

For good and valuable consideration, receipt of which is hereby acknowledged, Assignor does hereby further covenant and agree that he will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will at any time upon reasonable request without further additional consideration, but at the expense of Assignee, its successors and assigns, use reasonable best efforts to execute such additional writings and do such additional acts as Assignee, its successors and assigns, may determine as necessary or

desirable in the enjoyment of such grant, and in any proceedings or transactions involving such inventions, patent applications or patents.

IN WITNESS WHEREOF, Assignor has caused this Patent Assignment to be executed as of the date indicated below.
