ASSIGNMENT

WHEREAS, I, the undersigned joint inventor, believe I am an original joint inventor of certain new and useful improvements entitled "Drain Cleaning Apparatus" for which a U.S. nonprovisional patent application (No. 15/009,613) was filed on January 28, 2016, which was made or authorized to be made by me, and which claims priority to U.S. Provisional Patent Application Serial No. 62/109,743, filed January 30, 2015; and

WHEREAS, PF Waterworks LP, which has a principal place of business at 16802 Barker Springs Rd., Suite 700, Houston, TX 77084 (hereinafter referred to as "Assignee"), desires to acquire my entire right, title and interest in and to the invention throughout the world, and in and to the application and any Patent that may issue thereon from any country;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I assign to Assignee, all right, title and interest in and to my invention and in and to the application and all patents in all countries throughout the world that may be granted therefor, and all divisions, reissues, continuations, continuations in part and extensions thereof; and I hereby authorize and request that any patent that is granted be issued, insofar as my interest is concerned, to Assignee. I further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee. I will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation in part, reissue and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in Assignee and to aid Assignee to obtain and enforce proper protection for said invention in all countries. This Assignment shall be binding on the parties' successors, assigns and legal representatives.
