Assignment of Patent Application

Whereas, we, **Arunprasad SIVARAMAN, Tyler SIMMONS, Gregory FIELDSON, Adam SORENSON and Jeff CORTOPASSI**, hereafter referred to as applicants, have invented certain new and useful improvements relating to a

TRANSDERMAL DOSAGE FORM FOR LOW MELTING POINT ACTIVE AGENT
[X] for which an application for a United States patent was filed on
May 29, 2015, Application Number 14/725010
[] for which an application for a United States Patent was executed on _____, and

Whereas, **MYLAN, INC.**, herein referred to as assignee, whose post office address is **781 Chestnut Ridge Road, Morgantown, WV 26501** is desirous of acquiring the entire right, title and interest in the same:

Now, therefore, in consideration of the sum of ten dollars (\$10.00), the receipt whereof is acknowledged, and other good and valuable consideration, we, the applicants, by these presents do sell, assign and transfer unto said assignee the full and exclusive right to the said invention in the United States and all countries throughout the world including any divisions, renewals, continuations in whole or in part, substitutions, conversions, reissues, prolongations and extensions thereof, and the entire right, title and interest in and to any and all Patents which may be granted therefore in the United States and all countries throughout the world including any divisions, renewals, continuations in whole or in part, substitutions, conversions, reissues, prolongations and extensions thereof. We hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said assignee, of the entire right, title, and interest in and to the same, for its sole use and behalf; and for the use and behalf of its legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.

The undersigned hereby grant the firm of Kramer and Amado, P.C. the power to insert on this document any identification which may be necessary or desired to reference the property being transferred under the rules of the United States Patent and Trademark Office for recordation purposes.
