CONFIRMATORY PATENT ASSIGNMENT

WHEREAS, BOGUSLAW BIEL, a citizen of the United States of America having a postal address of 1148 Hillcrest Drive, Carol Stream, Illinois 60188 US, **JOEL ZUPANCIC**, a citizen of the United States of America having a postal address of 908 Ainsley Drive, West Chicago, Illinois 60185 US, and **LUIS MIGUEL HOEFKIN R.**, a citizen of the Country of Peru having a postal address of Av. Revolucion 842 – Zona Industrial, Ventanilla Callao 06 Lima PE (“ASSIGNORS”), were the owners of the patent(s) and/or patent application(s) identified on the attached **Exhibit A**;

WHEREAS, M&R PRINTING EQUIPMENT, INC. (“ASSIGNEE”), a company organized and existing under the laws of the State of Delaware and having a place of business at 1 North 372 Main Street, Glen Ellyn, Illinois 60137 United States of America, acquired the entire right, title and interest in, to and under the patent(s), patent application(s), and/or invention(s) identified on the attached **Exhibit A**, including the right to sue and recover for past infringement thereof, by the assignment attached as **Exhibit B**;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNORS do hereby confirm the prior assignment and hereby do assign to ASSIGNEE and the successors, legal representatives and assigns of ASSIGNEE (hereinafter collectively called said ASSIGNEE), the entire right, title and interest in the inventions set forth in Exhibit A and any and all improvements thereto of the undersigned in a “**Multi-Stroke Screen Printing Method and Apparatus**,” and in any utility application for Letters Patent of the United States claiming priority from those applications set-forth in Exhibit A, and in any reissue or extension of any Letters Patent that may be granted upon said applications. The Commissioner of Patents is hereby authorized and requested by the undersigned to issue said Letters Patent to said ASSIGNEE.

Further, ASSIGNORS do hereby confirm their prior agreement and hereby agree that upon the request of said ASSIGNEE, to execute any necessary and proper oaths or affidavits relating to said application(s) or required for the filing or prosecution of any utility, divisional, continuation or continuation-in-part application thereof or for the filing or prosecution of any application for the reissue or extension of any Letters Patent that may be granted on said inventions or improvements that said ASSIGNEE may deem necessary or expedient, and upon the request of said ASSIGNEE, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in interference, to cooperate to the best of the ability of the undersigned with said ASSIGNEE in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and further to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in the said ASSIGNEE as fully and entirely as the same would have been held and enjoyed by the undersigned if this Assignment and sale had not been made. And for the said considerations, the entire right, title and interest in said invention or improvements, including all priority rights, and the right to claim priority rights and the privileges and benefits thereof, including those under the International Convention, and all other conventions, and the right to file applications for patent in said ASSIGNEE’s own name for said inventions or improvements in each and every country of the world are hereby

confirmed Assigned and granted and are hereby Assigned and granted by the undersigned to said ASSIGNEE. It is further confirmed as previously agreed and hereby agreed by the undersigned, upon the request of said ASSIGNEE, to execute any and all documents that shall be required of the undersigned to be executed in connection with any and all applications for foreign letters patent therefor, including the prosecution thereof, and to execute any and all documents necessary to vest title in said foreign applications and patents in said ASSIGNEE.

IN WITNESS WHEREOF, ASSIGNORS have caused this Confirmatory Patent Assignment to be signed by each at the date(s) indicated below and effects the assignment of said patent(s), patent application(s), and/or invention(s) as of March 18, 2008.
