ASSIGNMENT

(All rights, all countries)

In consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, receipt of which is hereby acknowledged, each undersigned inventor does hereby confirm his sale, assignment, transfer and setting over, and does hereby sell, assign, transfer and set over to:

BLiNQ Wireless Inc.

(Assignee),

whose full post office address is:

400 March Road, Suite 240, Ottawa, K2K 3H4, Canada

its successors, assigns and legal representatives, his entire right, title and interest, including priority rights, for all countries in and to certain inventions relating to:

SYSTEM AND METHOD FOR CLOCK SYNCHRONIZATION IN A WIRELESS BACKHAUL NETWORK USING IEEE 1588 PRECISION TIME PROTOCOL

as more fully set forth and described in United States patent application serial No. 14/865,300 filed September 25, 2015, claiming priority from United States provisional patent application No. 62/055,045, filed September 25, 2014, naming him as inventor, together with his entire right, title and interest in and to said applications, and any and all other applications for said inventions, including any divisional, continuation and continuation-in-part applications, and any corresponding applications in other countries, and any and all Letters Patent which may issue or be re-issued for said inventions in any country to the full end of the term for which each said Letters Patent may be granted;

AND hereby authorizes the issuance to said Assignee of any and all said Letters Patent not already issued as the assignee of his entire right, title and interest in and to the same, for the sole use and benefit of said assignee, its successors, assigns or legal representatives;

AND on behalf of himself and his heirs, executors, legal representatives, assigns and administrators, hereby covenants and agrees to communicate to said assignee, its representatives or agents, any facts relating to said invention or inventions, including evidence for interference purposes or for other proceedings; to testify in any interference, litigation or other proceedings; to do all such lawful acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications, and other instruments as may reasonably be required by said Assignee, its successors, assigns or legal representatives, to obtain any and all said Letters Patent, in any country, for said inventions and vest the same in said Assignee, its successors, assigns or legal representatives; and to likewise make these provisions binding upon his heirs, legal representatives, administrators and assigns;

AND hereby grants to the Assignee or its patent agents and attorneys the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of a patent office for recordation of this Assignment.
