FOR valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the undersigned, whose mailing address(es) is/are as listed below under their signature, hereby sell(s), assign(s) and transfer(s) unto ILLINOIS TOOL WORKS INC., a corporation of United States, having its principal office at 155 Harlem Avenue, Glenview, Illinois 60025, its assigns and successors (hereinafter "ASSIGNEE"):

the whole right, title and interest in and to a certain invention(s) or improvement(s) or betterment(s) in

LASER ENCLOSURE

disclosed in an application for Letters Patent of the United States, prepared by the firm of DENTONS US LLP, said application being identified in the office records of said firm as Matter No. 09794624-000571, and below by Application number, and in and to the United States Letters Patent therefor, when issued, together with all divisions, continuations and reissues thereof and substitutions of or for said application, and all rights and privileges under the Letters Patent and the application that may be granted therefor, including any and all priority rights and/or convention rights under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States of America adheres, and to any other benefits accruing or to accrue to me with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto.

I/We hereby authorize and request the Commissioner of Patents to issue the Letters Patent that may be granted for said invention or improvements to said ASSIGNEE.

For the same consideration, I/we hereby agree that I/we will promptly communicate to ASSIGNEE full and complete information concerning said improvements or betterments of the inventions disclosed in said application, and will cooperate at any time upon request of ASSIGNEE, at its expense, in the procurement of patent protection to cover the inventions herein assigned and to be assigned, including the execution of new, divisional, continuing and reissue applications; will make all rightful oaths, will testify in any proceedings in the United States Patent Office or in the Courts, and generally will do everything lawfully possible to aid ASSIGNEE to obtain, enjoy and enforce proper patent protection for the inventions embraced within the terms of this document.

I further agree that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents in foreign countries as may be known and accessible to me and will testify as to the same in any interference or litigation related thereto;

I hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

I hereby authorize and request my attorney(s) of record in this application to insert the serial number and filing date of this application in the spaces that follow: Serial Number: 14/986,832, Filing Date: January 4, 2016.
