ASSIGNMENT

For One (1) US Dollar and all other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I (we) the undersigned whose full post office address(es) is (are) adjacent my (our) name(s), hereby sell, assign and transfer to **HUSKY INJECTION MOLDING SYSTEMS LTD.** the address of whose registered office is: 500 Queen Street South, Bolton L7E 5S5, Ontario, Canada (hereinafter called "Husky"), its successors, assigns and legal representatives, my (our) entire right(s), title and interest, including all rights under and in any and all international conventions and treaties, for all countries in and to certain inventions relating to *Injection-Molding Apparatuses Containing Integrally Formed Thermocouples* identified in Husky's records as **H-7909** and/or in an application for letters patent filed herewith; and in and to the above application and all corresponding provisional, non-provisional, division, extension, substitute, continuation, renewal, reissue, utility model, or industrial design and all other applications for patent, and all rights and privileges under and in any and all letters patent in all countries, including but not limited to, the United States, China, Japan, and Korea, that may be granted for and/or derived from said inventions or that may be granted from said application, with the intent that any such patent or any application thereof (including any provisional, non-provisional, division, extension, substitute, continuation, renewal, reissue, utility model, or industrial design) or other intellectual property protection shall be issued to Husky alone for its sole benefit or to its successors, assigns or legal representatives.

I (we) undertake without charge to Husky but at its request and expense to execute all documents, take all oaths and do all reasonable acts to enable Husky, its successors, assigns and legal representatives to procure and maintain patent or other intellectual property protection for said inventions in any and all countries and to vest title thereto in Husky, its successors, assigns or legal representatives.

I (we) agree that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent or the like which may be required in any country for any purpose and more particularly in proof of the irrevocable right of Husky, its successors, assigns and legal representatives to apply for and maintain patent or other intellectual property protection for said inventions in any and all countries and to claim the benefit of any right or priority in all countries including but not limited to China, Japan, and Korea, as well as the right of Husky, its successors, assigns, and legal representatives to sue in its own name and recover damages for past infringement of any patent of the United States or any country.

I (we) request the Director of the United States Patent and Trademark Office and non-US patent authorities to issue the Letters of Patents to the Assignee.

I (we) authorize and request Husky or its designee to supply any missing patent/application identification information provided above, whether discovered prior to or after recordation.

I (we) covenant with the Assignee that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by me (us).

I (we) appoint Assignee, through its designee, my (our) attorney-in-fact to execute, in my (our) name and on my (our) behalf, any and all documents required to effectuate this Assignment, specifically including, but not limited to, those documents specified above and any necessary corrective assignments.

Signature of 1st Inventor/Assignor (above)
