RECITALS

WHEREAS, Assignee is interested in acquiring the rights to Bacillus megaterium Whole Cell System (the "Invention" as hereinafter defined),

WHEREAS, Assignors are willing to transfer their right in their Invention to Assignee under the terms and conditions defined hereafter,

NOW THEREFORE in consideration of the premises and mutual covenants herein contained the Parties agree as follows:

ARTICLE 1 – DEFINITIONS

For the purpose of this Agreement, the terms below when capitalized shall have the following meaning:

The term "Affiliate(s)" as it applies to SANOFI CHIMIE, shall mean any company, which, directly or indirectly, controls, is controlled by or is under common control of Sanofi – a French corporation registered in the Company and Trade Register of Paris under N° 395 030 844, having its registered office at 54, rue La Boétie, 75008 Paris, France by means of ownership of more than fifty percent (50%) of the voting stock or similar interest in said company.

"Agreement" shall mean this agreement, including the recitals and its exhibits, if any, which form an integral part thereof.

"Effective Date" shall mean the date above mentioned.

"Invention" shall mean the invention jointly made by Assignors as specified in the Application as filed on June 17, 2013 with the assigned Attorney Docket No. **EP PATENT APPLICATION 13305814.9 (BET13P1757-FREX2013/002)**, and entitled **WHOLE CELL SYSTEM FOR CYTOCHROME P450 MONOOXYGENASES BIOCATALYSIS**. The Invention also consists in all associated know-how and material to be transferred by Assignor(s).

"SANOFI" means a French corporation registered in the Company and Trade Register of Paris under N° 395 030 844, having its registered office at 54, rue La Boétie, 75008 Paris, France.

"Third Party(/ies)" shall mean any company or entity other than Assignors, Assignee or an Affiliate.

ARTICLE 2 – PURPOSE

This Agreement sets forth the terms and conditions that shall apply to the assignment of rights under the Invention from Assignors to Assignee.

(...)

..., the Assignors assign and transfer on the Effective Date to the Assignee and its successors, assignees and legal representatives, the entire right, title and interest in and their Invention, for all countries of the world, relating in and to the Invention including any intellectual property application such as all patent applications which relate to the Invention and all the rights and privileges, including any and all benefits under the International Convention for the Protection of Industrial Property, including the right to claim priority based on any priority application related to the Invention, and under any and all Letters Patents which may be granted therefor, and all right, title and interest in and to every patent application filed or to be filed on said Invention, their prosecution and maintenance in any other country or patent organization, including continuations, divisions, renewals, revivals, and any substitute applications, and any and all patents which may issue thereon, and any reissues, pipelines and extensions, and governmental exclusivity rights of the same.

(...)

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed as of the Effective Date.

Signed on May 19th, 2014, in six original copies.
