## Deed of Assignment – Patent Application

Dated this 2nd day of July 2015.

### Parties

- (1) **The Assignor:** Lucite International UK Limited  
of Queens Gate, 15-17 Queens Terrace, Southampton, Hampshire, SO14 3BP, a UK Limited Company, registration number 03830161.
- (2) **The Assignee:** Lucite International Speciality Polymers And Resins Limited  
of Queens Gate, 15-17 Queens Terrace, Southampton, Hampshire, SO14 3BP, a UK Limited Company, registration number 00272076.

### Recitals

- (A) The Assignor is the applicant of the patent applications, particulars of which are set out in Schedule 1 below ("the Applications"). The Applications contain details of the invention ("the Invention").
- (B) The Invention was devised by inventors employed by the Assignor ("the Assignor Inventor") and the Assignee.
- (C) The Assignee has funded the project associated with the Invention to which the Applications relate ("the Project").
- (D) The Assignee funded the Assignor Inventor to devise the Invention.
- (E) The Assignee assigned its share in the Invention and the Applications to the Assignor by contract dated 12 March 2013 ("the Contract"). A copy of the Contract is annexed to this deed of assignment in Schedule 2 below.
- (F) The Assignor has agreed to assign its intellectual property rights in the Invention and the Applications to the Assignee, for the consideration and under the terms and conditions below.

### 1. Assignment

- 1.1 In pursuance of this agreement and in consideration of the sum of £10 (the receipt of which the Assignor hereby acknowledges) the Assignor with full title guarantee **HEREBY ASSIGNS** to the Assignee all and any of its share in the Invention and the Applications including all of its rights, titles and interests therein and all the rights, privileges and immunities conferred on an applicant free from all encumbrances and including the right to sue for damages and other remedies in respect of any past or future infringement that may have occurred or may occur after this assignment and its right to claim priority from the Application, to hold unto the Assignee absolutely.
- 1.2 The Assignor hereby covenants with the Assignee that it shall at any time hereafter at the direction and expense of the Assignee execute any document or do any act or thing which the Assignee may consider reasonably necessary or desirable to give effect to this assignment and to register the Assignee or any successor in title thereof as applicant of the Applications and as proprietor of any future patents for the Invention.

## Deed of Assignment – Patent Application

### 2. Entire agreement

This agreement constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.

### 3. Variation

No variation of this agreement shall be effective unless it is in writing and signed by the parties (or their authorised representatives).

### 4. Counterparts

This agreement may be executed in any number of counterparts, each of which when executed [and delivered] shall constitute a duplicate original, but all the counterparts shall together constitute the one agreement.

### 5. Governing law

This agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.
