ASSIGNMENT

AS THE BELOW-NAMED INVENTOR, I declare that:

In consideration of the sum of TEN DOLLARS (\$10.00) or the equivalent thereof, and other good and valuable consideration, receipt of which from the Assignee is acknowledged, I do sell, assign, and forever grant and convey unto:

ASSIGNEE: Friendship Products, LLC.
7401 S. Sepulveda Blvd. #116
Los Angeles, California, USA 90045

My Assignee, and to the successors and assigns of my Assignee, all my rights, title, and interest in and for the United States of America and all other countries, including all rights of priority, in and to the invention entitled:

Modular Interlocking Containers

Invented by me and described in an application for a United States patent, the specification of which was filed on August 21, 2009 and received U.S. Provisional Application Number 61/235,687, and which was filed as an international patent application under the PCT on August 20, 2010 and received the PCT application number PCT/US2010/046060, and which was filed as a national stage application in the United States and received U.S. Application Number 13/385,439 and to all United States and world-wide patents which may applied for and be granted thereon and therefor, and in and to all divisions, continuations, reissued and re-examined patents, and to any extensions thereof, said interest being the entire ownership of the patent when granted, to be held and enjoyed by my Assignee, its successors, assigns or other legal representatives, to the full end of the term, terms, or any extension or renewal thereof, for which said patent or patents may be granted, as fully and entirely as the same would have been held and enjoyed by me if this assignment, sale, and conveyance had not been made;

And I covenant and agree to sign and execute any further documents or instruments which may from time to time be either necessary, lawful, proper, or requested by the Assignee in the prosecution of the above-named application or in the preparation and prosecution of any division, continuation, continuation-in-part, reissue, re-examination, amendment, extension, or interference proceeding, whether administrative or judicial, or otherwise, to secure the title in said Assignee;

And I do authorize and request the Commissioner of Patents and Trademarks to issue said Patent or Patents to the Assignee, and I authorize, appoint and request my attorney of record to insert on this Assignment any further identification or to complete such identification which may be either necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

IN WITNESS WHEREOF, I have set my hand and seal on the date written beside my name
